Murakaza Neza!

Welcome!

Welcome to Rwanda, land of a thousand hills! Rich in culture and wildlife, your visit will be an adventure of a lifetime. Rwanda Adventure Safaris would like to take you on your journey. Whether you are trekking gorillas or chimpanzees, birding in Nyungwe Forest, taking a safari through Akagera, enjoying the beach at Lake Kivu, visiting memorials, or touring one of our neighboring countries, we have the widest range of tours for active travelers, providing authentic experiences for adventurers of all ages. Our guides are passionate about Rwanda and will ensure that your time with us is a memorable one. We warmly invite you to explore our country and discover your ideal travel experience.

Many come to Rwanda to experience the Mountain Gorillas, Safari Trekking and Nyungwe Forest, however the country has many more exciting things to offer.

Rich in history, our cultural tours will fascinate you. A visit to the king's palace, a tour with traditional healers, learning the local art of brick making, shopping in the local markets and a day at the Cultural Village will leave you immersed in this vibrant culture.

At the end of your journey, visit the beautiful beaches of Lake Kivu in Gisenyi for a beachside sunset.

Rwanda, land of a thousand hills!

The Volcanoes also have many activities to offer. Home to many caves and hiking trails, among the beauty of the Virunga mountains you can enjoy:

- Cycling
- Boating on the twin lakes
- Bird watching
- Fishing

Here at Rwanda Adventure Safaris we also specialize in safaris in our neighboring country of Tanzania. A trip to Tanzania is both intriguing and exciting, created by the fascinating balance between wildlife, landscapes and people. Visit the famous National Parks within Northern Tanzania with the vast open plain of the Serengeti and the largest concentration of wildlife in the world. Famous for the annual wildlife migration is the unique Ngorongoro Crater also known as Africa's Eden, tree climbing Lions are found in the spectacular Lake Manyara National Park in the Great Rift Valley, the famous eco systems with huge Baobab trees and large Elephants are found in Tarangire National Park and Arusha National Park, the hidden treasure on the foothills of Volcanic Mount Meru, will make your visit unforgettable.

UNFORGETTABLE!
